OUR MISSION / VISION

BC's frontline is equipped for every situation where immediate respiratory care is required

OUR STORY

For over 75 years TB Vets has provided mission-critical funding to help British Columbians suffering from respiratory emergencies and illness. From the battlefields of World War II to fighting respiratory illnesses upon their return, our BC Veterans embraced the meaning of compassion. They took a holistic approach with their vision of serving disabled and inflicted Veterans, giving meaningful employment while providing a community service to British Columbians.

Through the creation of the TB Vets Key Tag (lost- found-return program) and the subsequent TB Vets Charitable Foundation, Veterans and the disabled manufactured these key tags and offered them as a free community service. Over time as donations from the key tags grew, our Veterans reached further out into the community, and began supporting respiratory research, education and support programs for respiratory care.

This philanthropic legacy is woven into the tapestry of BC's heritage. Today, TB Vets Charitable Foundation is the leading respiratory charity in British Columbia. From the newborn ICU at BC Women's Hospital, to advanced life-support via helicopter, your generosity helps us arm urban and rural BC communities every day.

TB Vets Charitable Foundation is a (CRA) Canadian Registered Charity; #87416 1482 RR0001

WHAT IS A THIRD-PARTY EVENT?

It is a great way for individuals and groups to support TB Vets. These initiatives take on a variety of forms and are only limited by your imagination (from a silent auction, to a sports tournament, to sponsoring an “activity”-a-thon, hosting a casual dinner party, a community garage sale, to a concert... the list is endless.) Basically a third party event where you use your creativity to help TB Vets raise donations.

DOUBLE YOUR FUNDRAISING EFFORTS!

Before you start coordinating your event, check to see if your employer has a **“matching gift” program**. Many employers sponsor matching gifts and will match any charitable contributions made by employees!

TB Vets takes pride in its good reputation in the community. We need to ensure that all fundraising events are aligned with our mission. For this reason, **prior approval to hold a third party event is required**. Please refer to the succeeding FAQ page of this material for more information.

STEPS FOR A SUCCESSFUL FUNDRAISER //

We all know that events don't come together the night before (at least the successful events don't!). They take hard work, planning and lots of energy from many talented partners. Here are some simple planning steps.

Pre-Event

1

TYPE OF EVENT

Will this be a sports tournament, gala or something else?

2

SUPPORT

Create a team and determine roles for each person. Does your event require sponsorship support, either monetarily, venue or in-kind?

3

TIMELINE

Detail what has to get done and by when, then assign each item to a person on your team. Follow up with the team and offer help as needed.

4

REGISTRATION

Send in the completed forms to TB Vets by email at, information@tbvets.com or bring them into our office at 1410 Kootenay St. Vancouver.

Check with the community where your event will take place if you require any permits, and see if you are able to register your event on their community events page.

5

PUBLICITY

Once TB Vets has approved your application and all promotional materials have been signed off, use free media sources such as Facebook, to publicize your event. Engage your friends to be a major supporter by sharing the event information with their friends. Print posters to place in local businesses and of course, if you have any media contacts - now is the time to use them!

During the Event

6

TRACK

Keep track of all ticket sales and donations, donors and payment types/amounts. (Request the Toolkit if you desire examples forms and guidelines.)

7

EVALUATE / GET FEEDBACK

Ask participants during the event what they enjoyed or didn't. This feedback is invaluable when planning for next year!

Have a support team meeting after the event to understand as organizers what worked well and what could be adjusted.

Post-Event

8

REMIT

Bring in the total donation to our office or mail a cheque to
TB Vets Charitable Foundation
1410 Kootenay St. Vancouver, BC V5K 4R1.

THANK! SHARE! CELEBRATE!

Make sure to thank all your volunteers, share your achievement on social media and celebrate an event well done!
